

Assignment 2: Application Design

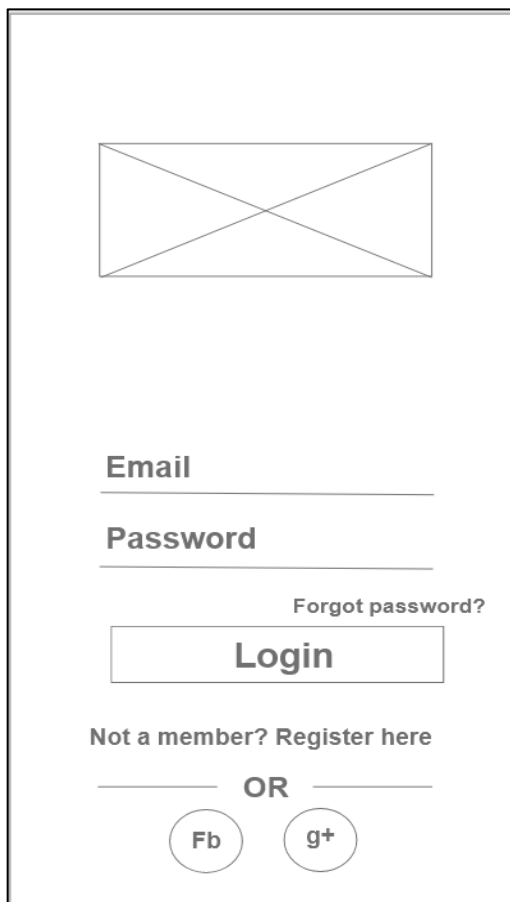

Project name: Shovl

1. Login Page

Description:

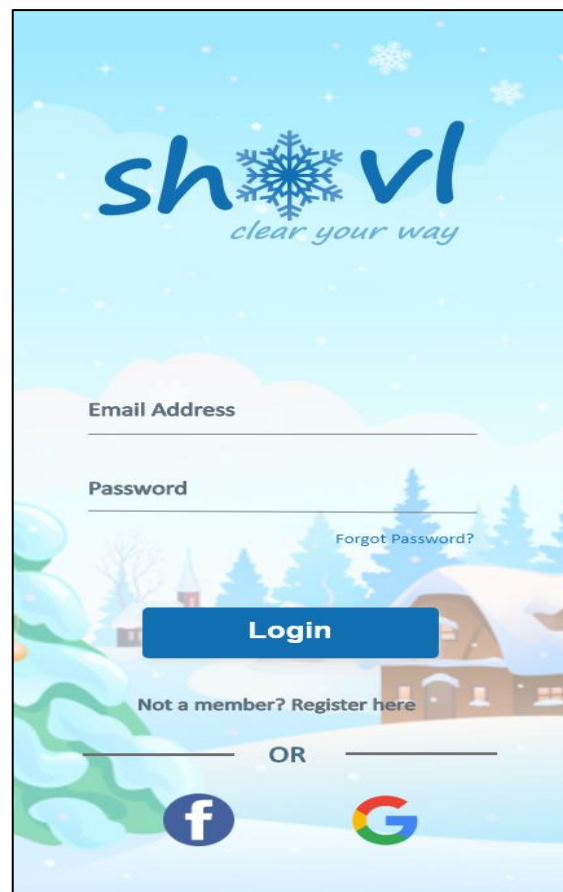

This is login page in which users can Login with Email or Facebook or Google Account. User are shown appropriate error message for wrong credentials.

UX- Design

The UX design wireframe shows a vertical layout. At the top is a large rectangular placeholder for a logo, represented by a rectangle with an 'X' inside. Below this are two input fields: the first is labeled 'Email' and the second is labeled 'Password'. To the right of the password field is a link labeled 'Forgot password?'. Below the input fields is a large rectangular button labeled 'Login'. Underneath the button is the text 'Not a member? Register here'. At the bottom, there is a horizontal line with the word 'OR' in the center. Below this line are two circular icons: the first contains 'Fb' (Facebook) and the second contains 'g+' (Google+).

UI - Design

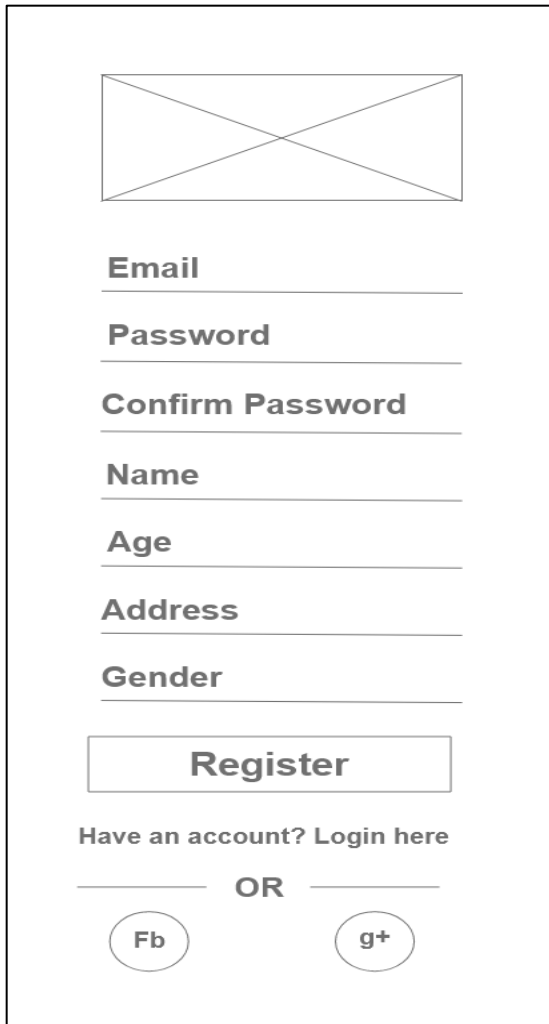

The UI design features a winter-themed background with snowflakes, snow-covered trees, and a small cabin. At the top, the logo 'shovl' is displayed in a blue, stylized font, with a snowflake icon replacing the 'o'. Below the logo is the tagline 'clear your way' in a smaller, cursive font. The login form consists of two input fields: 'Email Address' and 'Password'. To the right of the password field is a link labeled 'Forgot Password?'. Below the input fields is a large blue button labeled 'Login'. Underneath the button is the text 'Not a member? Register here'. At the bottom, there is a horizontal line with the word 'OR' in the center. Below this line are two circular icons: the first is the Facebook 'f' logo and the second is the Google 'G' logo.

2. Registration

Description:

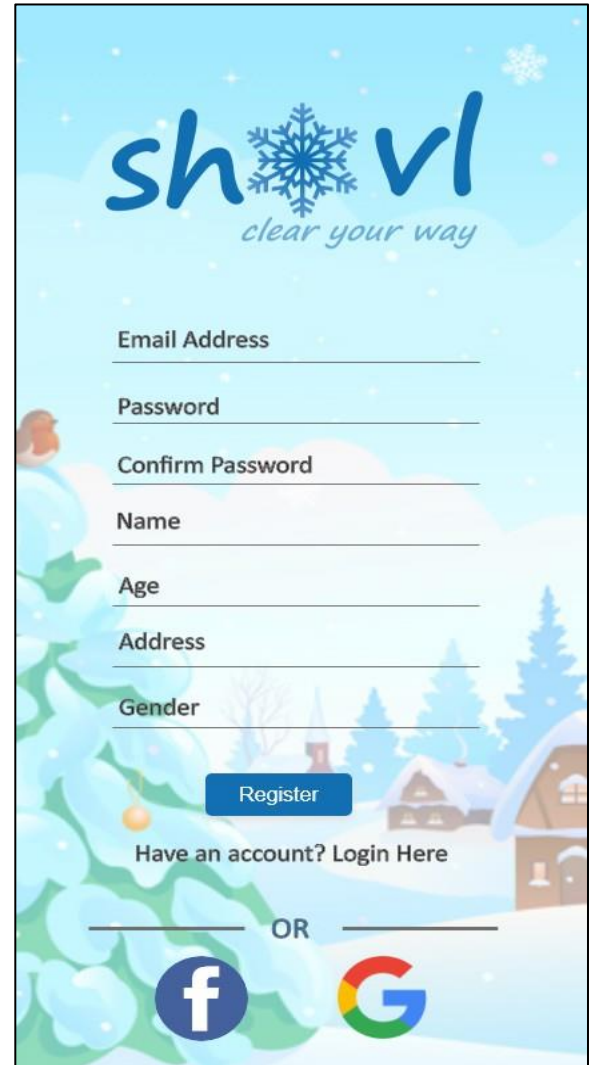

Users can register using email. If email is selected for login some additional information like name, gender, age and address must be entered. They can also register with Facebook or Google Account.

UX- Design

A wireframe diagram of a registration form. At the top is a rectangular box with an 'X' inside, representing a missing image. Below it are seven input fields, each with a label to its left: 'Email', 'Password', 'Confirm Password', 'Name', 'Age', 'Address', and 'Gender'. Below these fields is a rectangular button labeled 'Register'. Under the button is the text 'Have an account? Login here'. At the bottom, there is a horizontal line with the word 'OR' in the center. Below this line are two circular icons: one with 'Fb' and another with 'g+'.

UI - Design

A colorful, winter-themed UI design for the registration form. The background is light blue with snowflakes and a snowy landscape with houses and trees. At the top is the logo 'shovl' in a blue, handwritten-style font, with a snowflake replacing the 'o' and the tagline 'clear your way' in a cursive font below it. Below the logo are six input fields with labels: 'Email Address', 'Password', 'Confirm Password', 'Name', 'Age', 'Address', and 'Gender'. Below these fields is a blue button labeled 'Register'. Under the button is the text 'Have an account? Login Here'. At the bottom, there is a horizontal line with the word 'OR' in the center. Below this line are two circular icons: the Facebook 'f' logo and the Google 'G' logo.

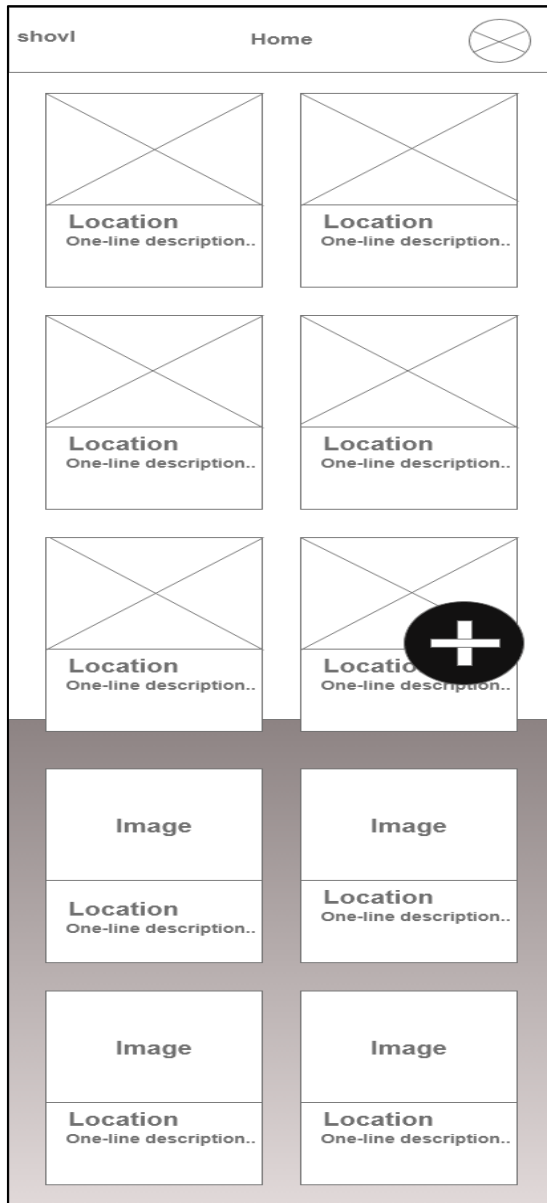

3. Homepage

Description:

This is the main screen in App after a successful login/register.

Here shovelers can view the lists for the ads and Customer can add the list by clicking the floating button which contains plus(+). So there is a single app for both shoveler and customer.

UX- Design

UI - Design

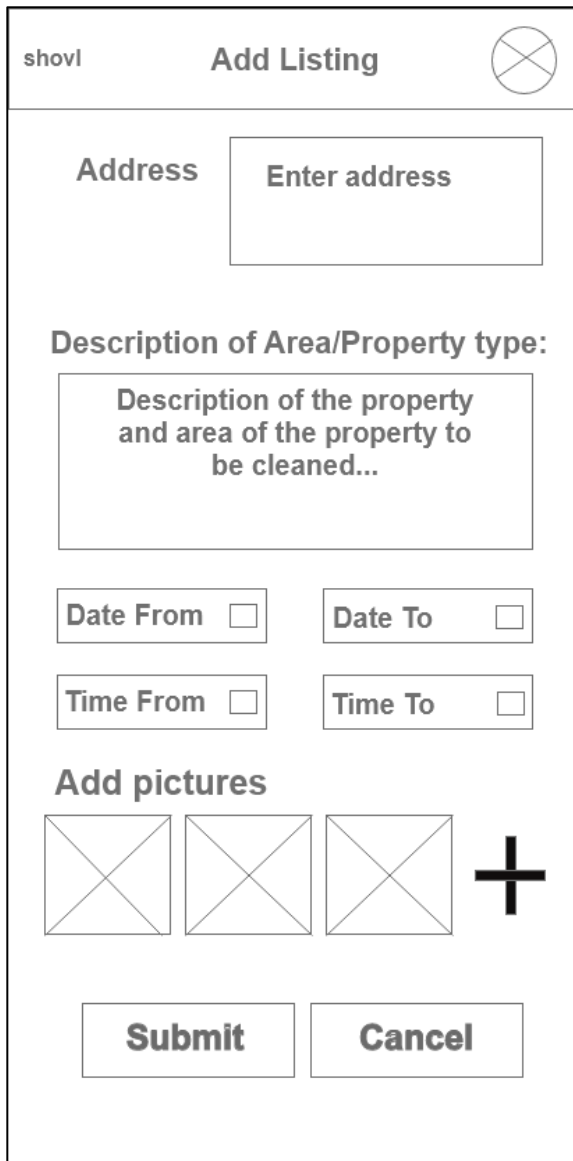

4. Add Listing:

Description:

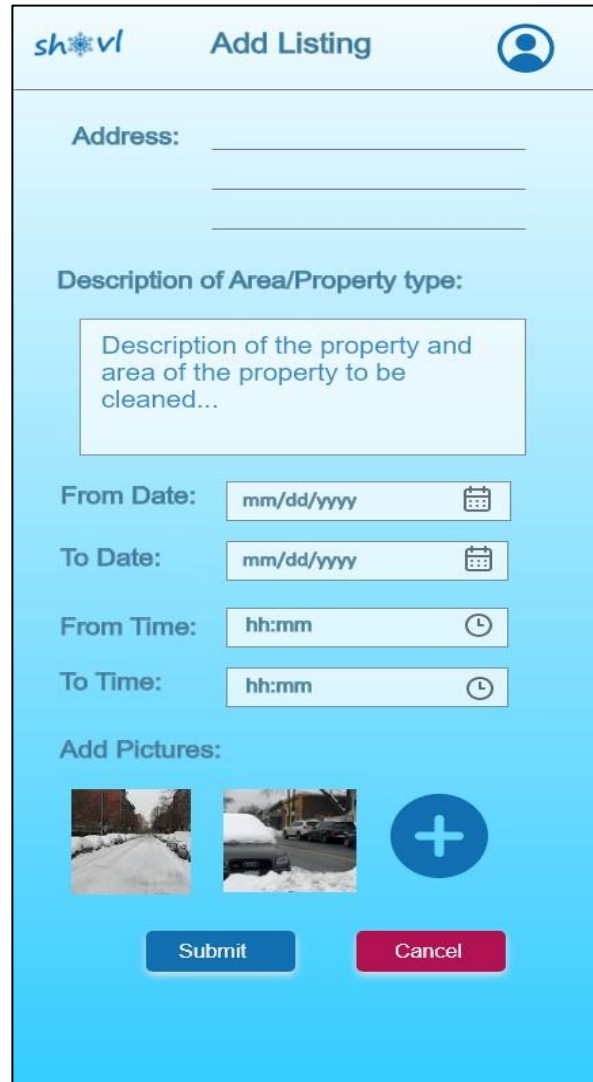

By clicking “Add” button in main screen, users will be directed to add listing page. In this, they are able to upload details of their house, land, yard, vehicle or any other property to be cleaned. They can also attach images along with address, description, and date interval.

UX- Design

The UX design of the 'Add Listing' screen features a white background with a purple header bar. The header contains the 'shovl' logo, the title 'Add Listing', and a close button (a circle with an 'X'). The form is organized into sections: an 'Address' section with a text input field labeled 'Enter address'; a 'Description of Area/Property type:' section with a large text area containing the placeholder 'Description of the property and area of the property to be cleaned...'; a date and time selection section with four fields labeled 'Date From', 'Date To', 'Time From', and 'Time To', each accompanied by a calendar icon; an 'Add pictures' section with three square image placeholders and a plus sign; and a bottom section with 'Submit' and 'Cancel' buttons.

UI - Design

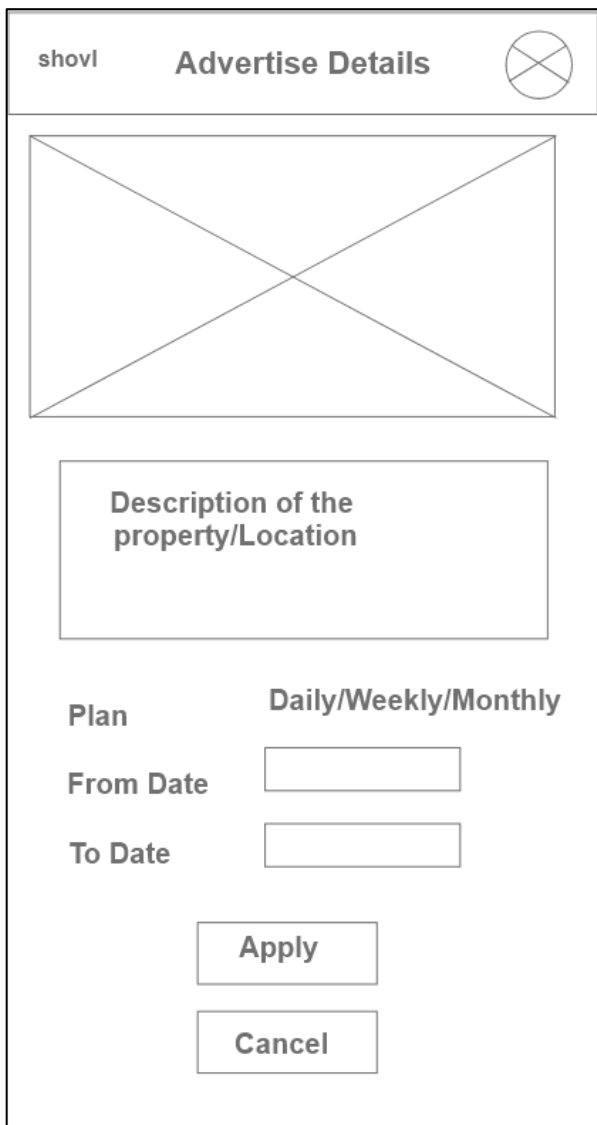

The UI design of the 'Add Listing' screen features a light blue background with a darker blue header bar. The header contains the 'shovl' logo, the title 'Add Listing', and a user profile icon. The form is organized into sections: an 'Address:' section with three stacked text input fields; a 'Description of Area/Property type:' section with a text area containing the placeholder 'Description of the property and area of the property to be cleaned...'; a date and time selection section with four fields labeled 'From Date:', 'To Date:', 'From Time:', and 'To Time:', each with a corresponding input field (showing 'mm/dd/yyyy' or 'hh:mm') and a calendar or clock icon; an 'Add Pictures:' section with two image thumbnails and a large blue circular button with a white plus sign; and a bottom section with 'Submit' and 'Cancel' buttons.

5. Advertise Details:

Description:

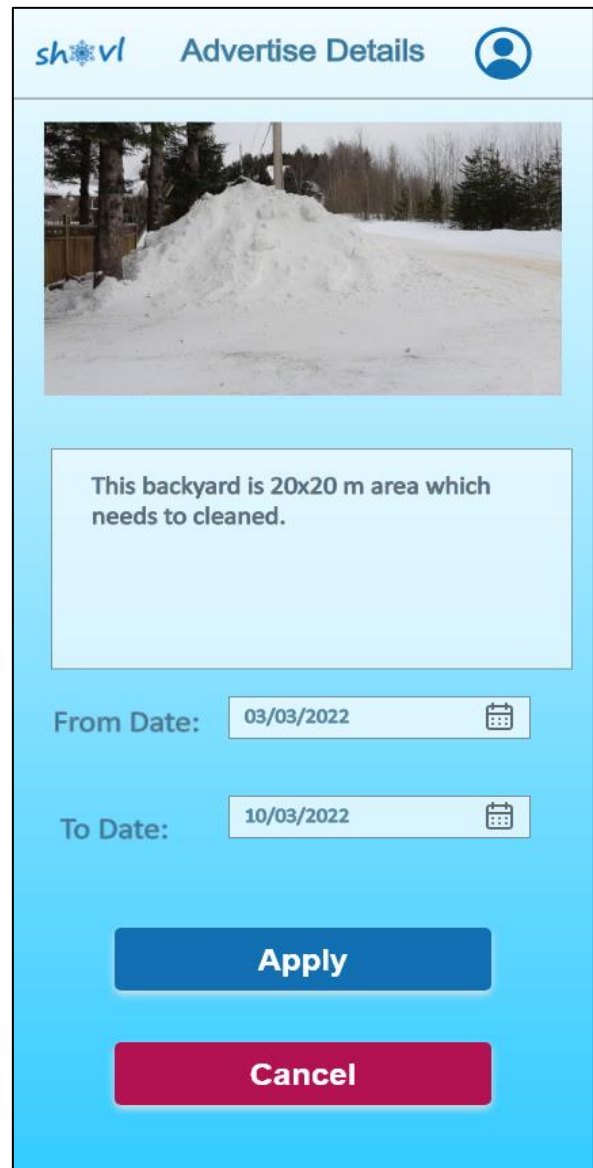

In this page, Shovelers can view the details of the post/ad. It contains information entered by customer. It guides shoveler to estimate the bid amount and time.

UX- Design

The UX design shows a mobile app interface for 'shovl Advertise Details'. At the top is a header bar with the 'shovl' logo, the title 'Advertise Details', and a close button (an 'X' in a circle). Below the header is a large rectangular area with a diagonal 'X' across it, indicating a missing image. Underneath this is a text box labeled 'Description of the property/Location'. Further down are three labels: 'Plan', 'From Date', and 'To Date'. To the right of 'Plan' is a dropdown menu currently showing 'Daily/Weekly/Monthly'. To the right of 'From Date' and 'To Date' are empty input fields. At the bottom of the form are two buttons: 'Apply' and 'Cancel'.

UI - Design

The UI design shows the final look of the 'shovl Advertise Details' page. The header bar is light blue with the 'shovl' logo, the title 'Advertise Details', and a user profile icon. Below the header is a photograph of a large pile of snow in a backyard. Underneath the photo is a light blue text box containing the text: 'This backyard is 20x20 m area which needs to cleaned.' Below this are two rows of date pickers. The first row is labeled 'From Date:' and shows '03/03/2022' with a calendar icon. The second row is labeled 'To Date:' and shows '10/03/2022' with a calendar icon. At the bottom are two buttons: a blue 'Apply' button and a red 'Cancel' button.

6. Price Bidding:

Description:

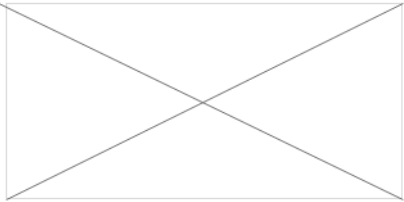

In this page, a shoveler can make a bid for house or any snow shoveling services. They can enter necessary payrate and time for the service.

8. Payment:

Description:

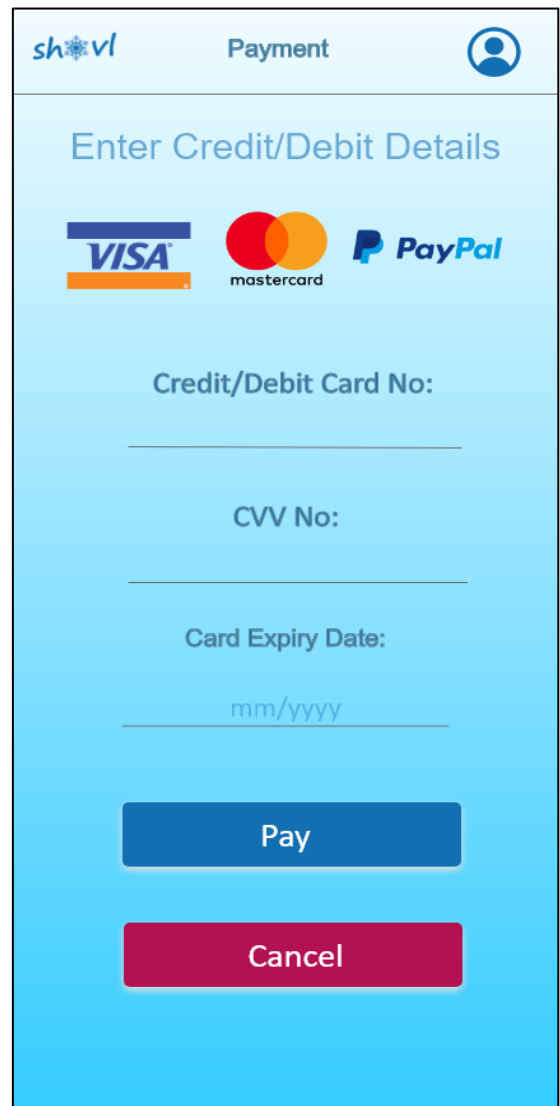

After selection a bid, they are directed to payment screen in which they can pay via debit/credit card.

UX- Design

The UX design of the payment screen is a wireframe. At the top, there is a header bar with the text 'shovl' on the left, 'Payment' in the center, and a close icon (a circle with an 'X') on the right. Below the header, the main content area is titled 'Enter Credit/Debit Details'. Under this title, there are three placeholder boxes, each represented by a rectangle with an 'X' inside. Below these are three input fields: 'Enter credit card number', 'CVV No', and 'Card Expiry Date'. At the bottom of the form, there are two buttons: 'Pay' and 'Cancel'.

UI - Design

The UI design of the payment screen features a light blue background. The header bar is white and contains the 'shovl' logo on the left, the word 'Payment' in the center, and a user profile icon on the right. The main content area is titled 'Enter Credit/Debit Details' in a light blue font. Below the title, there are logos for 'VISA', 'mastercard', and 'PayPal'. Underneath the logos, there are three input fields: 'Credit/Debit Card No:', 'CVV No:', and 'Card Expiry Date:'. The 'Card Expiry Date' field has a placeholder text 'mm/yyyy'. At the bottom, there are two buttons: a blue 'Pay' button and a red 'Cancel' button.

9. View Profile:

Description:

In view profile, user can see their entered details.

10. Edit Profile:

Description:

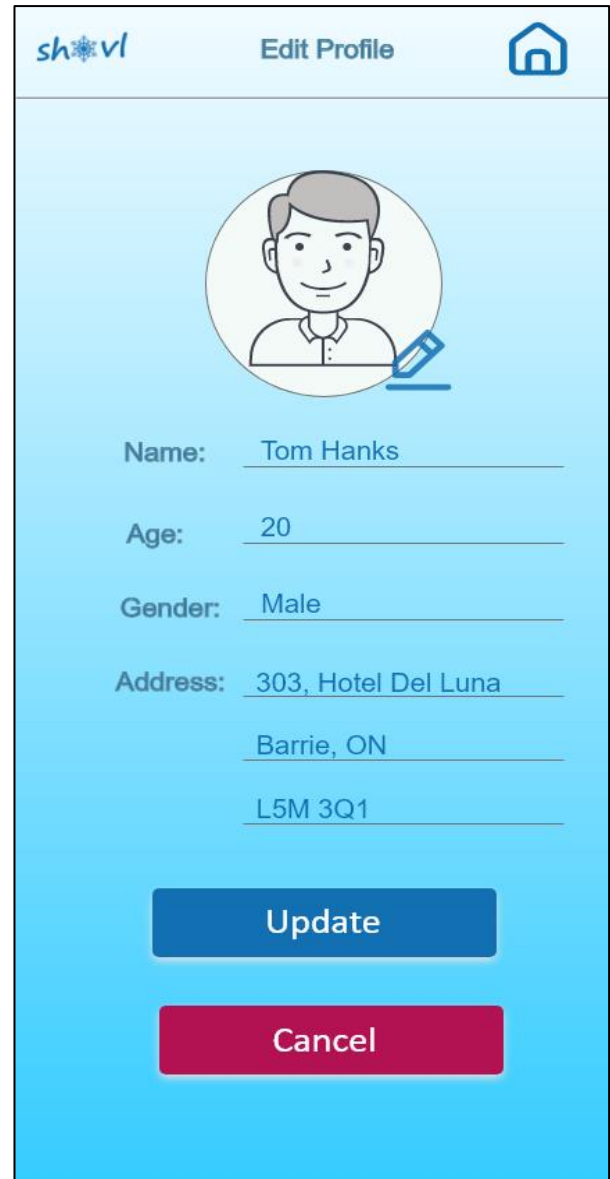

When user tap the edit button on the view profile page, they are directed to this Edit profile page in which they can update their details.

UX- Design

The UX design of the 'Edit Profile' page features a white background. At the top, there is a header bar with 'shovl' on the left, 'Edit Profile' in the center, and 'Home' on the right. Below the header, there is a circular placeholder for a profile picture with a diagonal 'X' and the text 'Edit dp' at the bottom right. Underneath the placeholder, there are four rectangular buttons stacked vertically, labeled 'Edit name', 'Edit age', 'Edit address', and 'Edit gender'. At the bottom of the page, there are two more buttons: 'Update' and 'Cancel'.

UI - Design

The UI design of the 'Edit Profile' page features a light blue background. At the top, there is a header bar with 'shovl' on the left, 'Edit Profile' in the center, and a home icon on the right. Below the header, there is a circular profile picture of a man with a pencil icon at the bottom right. Underneath the profile picture, there are five rows of form fields, each with a label and a value: 'Name: Tom Hanks', 'Age: 20', 'Gender: Male', 'Address: 303, Hotel Del Luna', and 'Barrie, ON'. Below these fields, there is a red button labeled 'Update' and a blue button labeled 'Cancel'.
